2006 Caulfield Grammar School Basketball Tour

Dear Chris,

With the start of our current basketball season now upon us, I just wanted to write a quick note to formally say thank you to yourself, Tania and all the staff at Horizons Sporting Events for your work in putting together our tour of the USA in December 2006.

As you know, this was the first such tour conducted by the School and we selected Horizons Sporting Events to assist us with the tour based on the excellent reputation that Horizons Sports has forged through the organisation of similar tours for other member schools of our sporting association.

The standard of the competition was perfectly matched to the ability of our players, with the on-court experiences being matched by the off-court experiences and hospitality of our hosts.

From a personal perspective, I have really appreciated and enjoyed my dealings with yourself and all the staff at Horizons. Your relaxed, yet professional approach made my involvement in the organisation of the tour much more enjoyable and certainly gave me enormous confidence that we would have a successful tour.

The thorough nature of your preparation and organisation of the tour prior to our departure was continuously evident in how smooth things went for us 'on the ground' once we were on tour. To know that you were only an email or a phone call away to assist us whilst we were on tour also meant that I slept easier each night!

For all of our players and staff, this tour will be one of our lasting memories of our involvement with Caulfield Grammar School and this in no small part to the efforts of everyone at Horizons Sporting Events.

On behalf of the School, staff, players and families of the tour group thank you once again for all you have done in ensuring a successful tour. I look forward now to organising our next tour with you, sooner rather than later!

With best wishes.

Yours sincerely,

Mr Scott Wodetzki
