RE: US & Canada Tour December 2004

Dear Chris & Tania,

Just a short note to thank you for all your work in preparing our trip to the United States and Canada in December 2004. With 8 games over the twenty one days, plus an NBA game, a College game and sightseeing it must have required a huge amount of international liaising on your behalf.

One of the most worrying things when you take a group overseas is that bookings might fall through or people might not be expecting you. We found all the arrangements you made were great. All the schools had been briefed and the home experiences were terrific. When we were unsure, you were easy to contact and responded quickly and professionally to our queries.

The basketball games were also of an appropriate standard. We were able to have challenges and victories.

It was a great experience and opportunity for our students to play in the US and Canada and be exposed to the US basketball culture. It created new friends and perhaps even provided a couple of our players with goals and opportunities for the future.

We hope to make this sort of trip a regular feature of our program and travel with you again in 2006.

Thanks and all the best,

John Cantwell
