

WASHINGTON STATE UNIVERSITY
 MEN'S BASKETBALL

July 3, 2007

Mr. Chris McCoy
Managing Director
Horizons Sporting Events Pty Ltd
PO Box 215
Devonport TAS 7310
AUSTRALIA

Dear Chris,

On behalf of our coaching staff, young men and traveling party from Washington State University, I want to sincerely thank you for organizing our basketball tour to Australia this past June 2007. We found your touring company (Horizons Sporting Events) to be a very professional & experienced touring company. Furthermore – I appreciated the support you gave in making our tour a great experience not only for our players, but for the entire traveling party.

We found Australia to be a very unique cultural experience. We also had the fortune of playing a competitive basketball schedule against some of the better ABA & NBL club teams in Australia. The competition was a very good standard & challenged our players.

I believe the tour has prepared us for the upcoming season. I think the foreign tour brought our team that is already close - even a little closer together. They will have this experience for the rest of their lives and you can't put a price tag on that.

We would definitely recommend Horizons Sporting Events to other US College teams that are interested in traveling abroad & touring Australia. Good luck to you with your continued business and we look forward to remaining in contact with you.

Sincerely,

Tony Bennett
Head Coach
